

Music Genre Classification and Hit Prediction

Group 12

Steps to run our Google Colab notebook:

1. Download the zipped dataset from the following google drive link:
<https://drive.google.com/file/d/1GX0XN99ZqaSPo2HaaCaKPiX0XSCaYEF1/view?usp=sharing>
2. Open the notebook using the following link: (Alternatively you can use the downloaded notebook and create your own Colab workspace)
<https://colab.research.google.com/drive/1c-e2y2kpeb0nzpZVaF42lF0LntUHscRO?usp=sharing>
3. Upload the zipped dataset to folders
4. Run the code
